Dynamint

Muscle Cream

Dynamint™ is used by professional and amateur sports people both pre and post sporting activity.

*"I personally recommend **Dynamint** to all my clients and work with it... it really is great stuff."*

Kim Ingleby, International Personal Trainer of the Year 2007 & GB Senior Sports Therapist.

History Of Dynamint™

Dynamint™ is an *all natural ingredient formula* which is enjoying tremendous acceptance amongst the professional sporting community and is especially useful where there has been over exertion due to competitive sports activity.

Ingredients

Dynamint™ is a blend of four natural oils and mountain spring water from British Columbia mixed together in a gentle cream base.

Peppermint Oil (Mentha Piperata)

Tea Tree Oil (Melaleuca Alternifolia)

Eucalyptus (Eucalypti Aetheroleum)

Calendula Oil (Calendula Officinalis)

For external use only: Not to be used on broken skin: Keep out of the reach of children: Do not use during Pregnancy: Avoid contact with eyes-if contact occurs flush with copious amounts of water immediately.
